ABOUT BENNETT UNIVERSITY

Bennett University, an initiative by the Times of India group, aims to become a leading educational institution known for excellence. It provides top-tier education comparable to Ivy League standards, focusing on holistic student development through world-class infrastructure, research-based academics, and diverse extracurricular opportunities. With esteemed faculty from renowned institutes, the university aims to enhance students' employability and equip them with leadership qualities for success in their careers.

ABOUT MOBILE NEXT

Mobile Next is an international conference dedicated to the latest advancements and innovations in mobile technology. Organized by Bennett University and Mobilon, this one-day event brings together industry experts, developers, and researchers for insightful discussions and interactive sessions.

With a focus on emerging frameworks, AI integration, and next-gen connectivity, Mobile Next serves as a platform to exchange ideas, showcase groundbreaking work, and shape the future of mobile technology.

Speaker Session

An exclusive conference featuring industry experts sharing insights on iOS and mobile app development. Explore the latest trends, technologies, and best practices in app creation from seasoned professionals. Gain valuable knowledge about the evolving app development landscape and career opportunities in the field. Engage in discussions, ask questions, and expand your understanding of this dynamic industry.

Project Showcase

An exclusive conference featuring industry experts sharing insights on iOS and mobile app development. Explore the latest trends, technologies, and best practices in app creation from seasoned professionals. Gain valuable knowledge about the evolving app development landscape and career opportunities in the field. Engage in discussions, ask questions, and expand your understanding of this dynamic industry.
